

# Becoming a Private Pilot has Never Been Easier

Vincennes University and Indy Aero have partnered to give you the opportunity earn your Private Pilot Rating, 8 college credits, and the ability to access Federal Financial Aid from an accredited, Indiana college. Becoming a Private Pilot is one of the most gratifying things you will ever accomplish. Whether for personal pleasure or to start you on your way to a career in aviation, IT'S NEVER BEEN EASIER!

## Course Information

### •AFLT 100 Primary Ground School

This 5 credit hour course covers navigation, meteorology, radio communications, and Federal Air Regulations. This course will prepare you for successful completion of the Federal Aviation Agency written examination.

### •AFLT 105 Primary Flight

This 3 credit hour course will prepare students for the Private Pilot Certificate by teaching pre-flight inspection, usage of check lists, the starting procedures, taxiing, parking, takeoffs, landing, turns, climbs, glides, straight and level flight, stalls, flight at minimum controllable airspeeds, cross-country flying, short and soft field takeoffs and landings, night flying, and radio navigation. This course consists of 45 hours of flight time including 30 hours of dual instruction and 15 hours of solo flight time. *Please note that additional flight time may be needed and can be purchased at a reduced rate from Indy Aero.*

## Payment Information

This partnership gives you many affordable payment options. You can now use Federal Financial Aid, VA benefits, and company tuition reimbursement plans to reach your dream of flight.
